Education

Bachelor of Technology in Computer Science

2023 – 2027

VIT Bhopal University

Senior Secondary Education (12th Grade)

Sheiling House School

Experience

- **Lloyds Banking Group — Data Science Job Simulation (Forage)** Built and evaluated a customer churn prediction model using Random Forest and other ML algorithms, achieving an ROC-AUC score of 0.82 through advanced preprocessing, GridSearchCV-based hyperparameter tuning, and feature importance analysis in Python.
- **Tata — Consulting & Data Analytics Job Simulation (Forage)** Analysed retail revenue data and created strategic data visualisations using Tableau and Power BI to support business decision-making and client presentations.

Technical Skills

Programming & Tools: C++, Python, MATLAB, AWS Basics

Data & ML: SQL, Data Analysis, Statistical Analysis, Machine Learning, Deep Learning

Visualization: Power BI, Data Visualization

Projects

- **Smart Housing System with AI, IoT, and Energy Management** Designed an AI-powered smart housing system integrating face recognition, emotion detection, IoT-based temperature control, and energy optimization using Python, OpenCV, TensorFlow, MQTT, Kivy, and Tkinter. Implemented real-time data processing, modular architecture, and interactive dashboards for scalable smart home automation.
- **Emotion-Aware Security System** Developed a real-time emotion-aware automation and security system using Python and OpenCV, enabling emotion-based lighting control and intruder detection with automated image capture and instant Pushbullet alerts through event-driven logic.
- **CrisisIQ** Built an AI-driven socio-economic crisis prediction system analysing demographic, economic, climate, crime, and sentiment data across India. Developed end-to-end data pipelines and trained ML models including Random Forest, AdaBoost, ANN, and LSTM, achieving up to 91% prediction accuracy with actionable intervention recommendations.

Certifications

- Data Science Job Simulation — Forage
- Data Analysis with Python — freeCodeCamp
- Google Analytics Certification — Google
- AWS Technical Essentials — Amazon Web Services

Additional Information

Languages: English, Hindi
